

 **[IJRED] Your Submission I...**

Manuscript Number.: IJRED-2020-33081R1

Title: Catalytic Dehydration of Ethanol to Produce Diethyl Ether Using Cr-Co Supported γ -Alumina Catalyst: Effects of Nitrogen Stream and Metal Ratio
Journal: International Journal of Renewable Energy Development

Dear Mrs. Izza Aliyatul Muna,

I am writing regarding your manuscript entitled: "Catalytic Dehydration of Ethanol to Produce Diethyl Ether Using Cr-Co Supported γ -Alumina Catalyst: Effects of Nitrogen Stream and Metal Ratio" with ID: IJRED-2020-33081R1 which you submitted to the to International Journal of Renewable Energy Development.

Based on your submitted revised version, it is noticed with 40% similarity index (please see the attached turnitin report), which is unacceptable according to the journal policy. Please reduce the similarity index to less than 20%.
